Garner-Hayfield-Ventura Community School District Chromebook
Loan Agreement 2026-2027 (Grades 5-12)

Student Name:_____

Grade in 26-27 school year_____

A Chromebook, charger, and secure carrying case are being lent to the student and are in good working order. It is the student's responsibility to care for the equipment and ensure that it is retained in a safe environment.

This equipment is the property of the GHV School District and is lent to the student for educational purposes only for the 2026-27 academic school year. The student may not deface, destroy, or alter this property in any way. Inappropriate use of the computer may result in the student losing his/her privilege to use this device. The equipment will be returned to the school when requested, or if the student withdraws from the GHV School District before the end of the school year.

Iowa law allows the District to obtain reimbursement from the students and/or parents for any damage to, loss of, or failure to return school property. The student acknowledges and agrees that the use of district property is a privilege and that by agreeing to the terms listed, they are responsible for protecting, safeguarding, and returning the district property in good condition upon request by the GHVCSD.
