

Cody Glidden Memorial Scholarship

Cody graduated from Garner-Hayfield in 2008. He believed in the significant importance of educating oneself.

This scholarship is open to anyone pursuing a degree related to mental health, medical research, paleontology, or any of the sciences. Three \$1000 scholarships will be awarded to full-time post-secondary students for the 2024-2025 school year. Please email the completed application as an attachment to gliddensix@gmail.com by 23:59 April 20, 2024. Questions may also be directed to that email address. Selected recipients will be notified no later than May 9, 2024. During the final week of September, funds will be mailed directly to the student upon proof of enrollment and attendance. Proof of enrollment and attendance should be emailed or mailed no later than September 20, 2024.

Please answer the following questions as briefly as possible. Try to use no more than 50 words per question.

What have you done for employment and/or volunteering throughout high school/college? How many hours do you spend each week doing this?

Do you think it is more important to believe or know? Why?

You notice a friend is acting differently and they start to pull away. They begin making up excuses as to why they are not available to get together or they start ignoring you completely. What do you do? At what point do you stop contacting this person?

What do you do when someone asks you a question you do not know the answer to?

Which step in the Scientific Method is your favorite to complete? Why?

What is your favorite dinosaur? Why?

Think of a movie you like. What is your favorite line from that movie?
