2026-2027
GHV Registration Guide

GHV MISSION:

To prepare students for a successful future in a kind, caring, and compassionate way

School Registration is a THREE-STEP PROCESS:

✓ **REQUIREMENT TO REGISTER:**

You need JMC Parent Access to complete the online **JMC Student/Family Information** and any additional documents needed.
**Note: If you do not have JMC parent access, please contact any building secretary.*

NOTE: Using a cell phone DOES NOT work well. A computer is the best route to complete registration. If you do not have access to a computer or the internet, computers will be available during office hours in both building offices from August 11-19, or you may contact a building secretary for an appointment. If using a cell phone, select 'Desktop Mode' in JMC.

Instructions: *(See details near the bottom of the page regarding free & reduced information.)*

☐ **Step 1: JMC Student/Family Information** *(must be completed online via JMC; instructions can be found here)*

- Please log in to your JMC Parent Portal **in the 26-27 School Year** to update and complete your student(s) information.
- You will need to update and complete the custom fields for each student, including health updates.

☐ **Step 2: Basic Fees** *(electronically via JMC or by completing the paper Fees Form with cash or check)*

- See JMC Payment Instructions for using JMC to make payments. (basic fees, sports fees, band instrument rental fees)
