    a. Board members' focus was to follow the IDPH guidance to help keep students in school. On Friday, new guidance was announced through the CDC regarding the mask mandate to be lifted. HCPH is still recommending masks to be worn and to follow the previous guidance. All contact tracing will continue to take place and parents will be notified. It will be their discretion to keep their students in session. If exposure happens at school, we still contact trace. We will then contact parents and allow them to remove the student or keep them in school. If an exposure occurs at home, the student will be required to stay home. The board is recommending masks to be worn on school grounds by students and staff beginning Thursday, May 20, 2021. Masks will remain required on buses. GHV will continue to follow the IDPH quarantine process on whether the student is wearing a mask.
