Present: Larkin, Roberts, Toppin, Watson, and Upmeyer

Absent: None

Administrators present were Steenhard, Meyering, Haag, Hinders, and Williams

The Return To Learn Plan due to Covid-19 and options for education of our students, indicating that voluntary education was no longer an option, was discussed. The plan must be a required plan with attendance being taken under all three scenarios.

Discussion took place on developing a comprehensive 5-year plan for all departments and the board beginning with the 2021-2022 school year through the 2025-2026 school year.

Also discussed were academic goals including preparation of the Return to Learn plan and completion of 6 hours of UnboundEd training provided by the Dept. of Education for all teachers which focuses on teaching online. Superintendent goals were also discussed. The board will also consider a review of board policy.

Inasmuch as this was a working session for the Board of Education, there were no motions made, nor formal action taken by the board at said working session.

Adjournment

There being no further discussion items for the board at this time, upon motion by Toppin, seconded by Larkin, and unanimously carried, the special board meeting (retreat/work session) was adjourned by President Watson at approximately 9:05 p.m.
